7 February 2017

Dear Parent/Guardian

CANCELLATION OF MEET-THE-PARENTS SESSION ON 10 MARCH 2017, FRIDAY

We had a good start to the new school year and are now into the month of February. Our teachers have had numerous opportunities to connect with you through various platforms. For example, this year, the school initiated the Parent-Teacher Bonding sessions for P1, P3 and P5 classes as pupils in these levels are either new to the school or new to their level and the teachers. For P2 pupils, there is no change in the classes nor teachers and hence, they have settled in very well.

The school reviewed the various communication platforms with parents/guardians and understand from the feedback we have received that another Meet-the-Parents session originally scheduled on 10 March is not necessary. Hence, the school **will not hold a Meet-the-Parents session on 10 March**. Please be advised that 10 March, Friday will now be a normal school day for all pupils.

The **next Meet-the-Parents session for P1 to P6 classes is scheduled for 26 May 2017**. More details will be given to you nearer the date.

However, for P4 and P6 classes, we have re-scheduled two important briefing sessions on **P4 Subject-Based Banding (SBB) and P6 PSLE Matters respectively on 9 March, Thursday in the afternoon between 3.30pm and 4.30pm**. We hope all P4 and P6 parents/guardians will attend these sessions as School Leaders will be sharing important information on SBB and PSLE. We have deliberately arranged the timing to be in the later part of the afternoon so that you could take some time off from work or your busy schedule to attend the sessions.

Meanwhile, please do not hesitate to contact your child/ward's teacher(s) should you need any assistance in any way.

Warm regards
Miss Cheong Hwee Khim
Principal
