Checking of Term Review Papers

Dear Parents/Guardians,

The teachers have marked and gone through the above mentioned papers with the pupils in class. The pupils have also done their corrections. Please sign on the papers to acknowledge that you have looked through them. We would like to have the endorsed scripts returned to the class teachers by Wednesday, 8 March.

Please help to ensure your child files the marked scripts in the various subject files for future revision after the teachers have checked for endorsement.

Thank you.

Warm regards

Miss Cheong Hwee Khim
Principal
