### P1 Great Little Helper

Dear P1 Parents/ Guardians,

Your child/ ward has just attended a Great Little Helper activity with our school attendants who keep our school clean. They have learnt that it is their responsibility to keep the environment in their school and home clean.

We have taught them some ways in which they can help out at home and we would like you to support them. Your child/ ward is given a Great Little Helper (GLH) card where they would have filled up some chores they would like to help out at home. They have to take ownership of these chores and complete them for one week. We do hope that these actions will continue even beyond the one week allocated.

Please join us in helping all our pupils learn about the importance of being responsible of taking care of the environment that we study or live in – school and home.

Thank you.

Yours sincerely,

---
