

Notification No.: 090/P5/2017

16 Oct 2017

Dear Parents/Guardians,

P5 Career Awareness @ Kidzania

For a holistic education, the Education and Career Guidance (ECG) is a wonderful platform that provides your child/ward the opportunity to explore different careers, develop interests and nurture their aspirations for their future.

Your child/ward will be going to Kidzania as part of Career Awareness programme. They will choose from the variety of jobs available and carry out the basic job scope. For example, if they choose to be a police officer, they will be briefed on how to carry out their duties, gain some relevant knowledge and then carry out their assigned task. They will be given the chance to experience up to 3 or 4 occupations.

Details of the programme:

Date: 8 November 2017 (Wednesday)

Time: 12pm – 5pm

Attire: PE Attire

We hope the Career Awareness programme will raise their awareness of their strengths and interests so that they can put in effective effort to achieve their aspirations.

The cost of the programme is \$29 per pupil. This cost will be totally borne by the school.

Yours sincerely,

Ms Cardoza Sharon Ann
HOD CCE
