

Notification No. : 87/P6/2017

5 October 2017

Dear Parents/Guardians,

Post PSLE Programme: Outdoor Learning Experience at Sungei Buloh Wetland Reserve

In Term 3, our students visited the Sungei Buloh Wetland Reserve as part of our lesson tie-in with the theme: Interactions within our Environment. Due to the poor weather conditions and for safety reasons, they attended only the indoor programme. Many students have expressed that they would like to explore outdoors and walk along the recommended trail. As such, we have organized another session and the details are as follows:

Date : Wednesday, 11th October 2017
Time : 2.30pm – 5.45pm

We would appreciate it if you could return the signed acknowledgement slip by next **Monday, 9th October 2017**. Thank you.

Yours sincerely,

Mrs Sharon Yang
Head of Department, Science
