Primary 6 Assessment Matters

Dear Parents/Guardians

We encourage our pupils to put in effective effort throughout the semester to alleviate undue stress during PSLE. We seek parents' support in monitoring your children's routines at home, ensuring a balance of learning, leisure, and rest. We also request parents' oversight and support to ensure that your children maintain a balanced approach to online activities, including gaming, social media, and text messaging. Together, we can support the learning and development of your children and safeguard their mental and emotional well-being.

Primary 6 pupils will be given a Weighted Assessment (WA) in Term 2. Apart from WA, they will sit for Preliminary Examinations in Term 3. All assessments will be conducted during curriculum hours, unless otherwise stated.

Weighted Assessment (WA) Schedule (Term 2) (30%)

We encourage our pupils to embrace the learning process, find joy during their studies and achieve success. WA tasks provide them opportunities to engage daily and enjoy their learning journey. Please note the schedule for the WA below:

Subject	Week	Assessment
English Language & Foundation English Language	8 to 9	Paper 2 (Language Use and Comprehension)
Mathematics & Foundation Mathematics		Written Paper
Mother Tongue Languages		Paper 2 (Language Use and Comprehension)
Foundation Mother Tongue Languages		Paper 1 (Language Use and Comprehension)

Attendance during Assessments

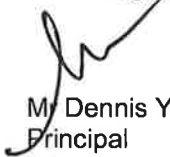

It is important to note that:

- Pupils who are absent for any Weighted Assessment (WA), provide the school with a medical certificate or note from parents.
- Pupils who are absent for Preliminary Examinations, **without** a medical certificate will be awarded a 'zero' mark; and
- Pupils who are absent for any component of the language papers (English and Mother Tongue) during the End-of-Year examinations may not be awarded an overall assessment mark for the subject.

We look forward to working closely with you to motivate your children to put in sustained effective effort and focus on their learning and progress.

Thank you.

Warm regards

Mr. Dennis Yap
Principal
