### Pupils' Effort in Submission of Quality Work as Assessment

Dear Parents/Guardians

As we start the new academic year, we want to encourage our pupils to continue to give their best in every endeavor and strive to be a better version of themselves every day and put in effective effort to gain new knowledge and deepen their learning both socially and academically. In this regard, pupils need to cultivate a good habit of completing their written assignments with pride and purpose, and submit their work in a timely manner so that teachers can provide feedback. This aligns with our school's effort to develop our pupils to have CHARM learning dispositions.

This year, we will include an assessment weighting to recognize and acknowledge pupils' effort when they submit quality work on time regularly. We would like our pupils to understand that completing and submitting work reflects their commitment to learning, as well as, taking ownership of their learning as self-directed learners. This applies for only Science and Mother Tongue subjects, for Primary 3 to Primary 6 pupils for the following assessments as shown below.

| Level   | Assessment Weighting        |                    |                              |                    |                              |                    |
|---------|-----------------------------|--------------------|------------------------------|--------------------|------------------------------|--------------------|
|         | Term 1                      |                    | Term 2                       |                    | Term 3                       |                    |
| P3 & P5 | Weighted Assessment 1 (90%) | Effort Marks (10%) | Weighted Assessment 2 (90%)  | Effort Marks (10%) | Weighted Assessment 3 (90%)  | Effort Marks (10%) |
| P4      | Non-weighted Assessment     |                    | Semestral Assessment 1 (90%) | Effort Marks (10%) | Continual Assessment 2 (90%) | Effort Marks (10%) |
| P6      | Non-weighted Assessment     |                    | Semestral Assessment 1 (90%) | Effort Marks (10%) | Prelims (100%)               | Not Applicable     |

We welcome your input and suggestions. If you need any clarification, please contact your child's/ward's Science or Mother Tongue teachers. Thank you.

Yours sincerely,

Mrs Sharon Yang  
Head of Department, Science (covering)
