### **P3 Parent Engagement for TE<sup>D</sup> Programme**

Dear Parents

Greetings from Farrer Park Primary School. At the start of this year, the Primary Three cohort began regular lessons integrating the use of iPad mobile learning devices as part of our **Technology-Enabled Learning (TE<sup>D</sup>) programme**.

Our Primary Threes have additional support in the provision of school-owned learning devices, which have enhanced their lessons with technology on platforms like the Singapore Student Learning Space (SLS) and Google Classroom

We will be moving forward with the next phase of the TE<sup>D</sup> programme to equip our students with their own devices. To help provide you with more information, we are hosting briefings for Parents via Zoom. We have arranged sessions on two dates for your convenience,:

1. Thursday 3 February, 5.00pm to 6.00pm
2. Friday 4 February, 5.00pm to 6.00pm

In these sessions, we will share the scope and context of the TE<sup>D</sup> programme in Farrer Park Primary School, how lessons take place in class and during home-based learning.

We will also share technical details on the recommended iPad learning device, options for purchase and how these devices are managed in school.

You can register for **either session** via the QR Code or the link below:

**<https://forms.moe.edu.sg/forms/en7GYv>**

We would truly appreciate your attendance. Your continuing support is important to us as we strive to educate your child for the future.

Warm regards

Mr Shawn Chak  
HODICT
