P3 TE^D Programme: Launch of Purchasing Portal for iPad Learning Device

Dear Parents

Thank you for your patience. The purchasing portal created by AsiaPac Technology Pte. Ltd. is now open for our school.

As shared in our **TE^D Engagement sessions** on **3 and 4 February**, you are free to purchase the learning device for your child from any vendor. If you are buying a new device, please consider also purchasing Appicare+ for additional coverage.

You can access the portal via the QR Code or the link below:

Please refer to our school website for more information on the **TE^D 1 to 1 programme** for your child.
